How to connect bluetooth to alpine cde-143bt

After factory reset, the bluetooth does not turn on. I'd say call, but it never appears on the face to the pairing device. On the phone, he continues to say that to make sure the Alpine bluetooth is connected. -Question by anonymous 5:14am, 8th November 2018 | Designed by ALPINE Japan68-21627Z76-Aáč OWNERäS MANUALPlease read before using this equipment.áč MODE D'EMPLOIVeuillez lire avant d'utiliser cet appareil.'
